

“How to Run a Practice” Clinic

Taney Youth Baseball Association
Presents

Mike Bucci

(Former professional baseball player, coach, & scout;
former Coordinator of Phillies Baseball Camps)

All managers, coaches, and interested parents are invited to participate in this exciting and informative training clinic. Mike Bucci will run a two-hour practice with you as his team members, so dress comfortably, wear your **athletic footwear** and bring a **baseball glove!**

- Mike will teach you drills and games to keep all players involved, active, and engaged during every single minute of practice time.
- Get your team doing relays and cut-offs, over-the-shoulder catches, dozens of swings per practice, base-running games, and successful run-downs! Learn how to set up four practice stations, so that every player gets to field *and* bat during every practice.
- Find ways to turn even running into a game that kids love!

Mike will give you so many great ideas, fun games, and drills that you will never have ten kids standing around while one kid takes batting practice – there will always something for every player to do.
Don't miss it – this FREE clinic is one of our most energizing and inspiring!
